## TO CORRECT AN ERRONEOUS IMPRESSION

Washington is flooded with applicants for clerical positions who have no qualifications for such work. The impression appears to exist that any one who comes to Washington can find a job. Nothing could be more erroneous. The only way to get a job in Washington is to have the proper qualifications. For experienced stenographers and typists. To avoid the expense and disappointment incident to this situation, applicants for positions are urged to take the civil service examination, or if not thus fortified should, if desiring employment with the Federal Administration, first submit to an investigation of their qualifications by correspondence. The Federal Administration is making no appointments of any kind except on the basis of examination.

## IN MEMORIAM

In loving remembrance of our dear daughter, who died in Chicago, Jan. 13, 1917.

A precious one from us has gone,  
A voice we loved is still;  
A place is vacant in our hearts,  
Which never can be filled.

One and your loss passed away,  
Sad and sudden was the call;  
We little thought to lose that day,  
Our dear daughter, and sister loved by all.

We could not realize what was said,  
When the message came that she was dead;  
Day for day we sadly miss her,  
Friends may think the wound is healed;

But they little know the grief,  
That's within our hearts concealed.  
She shall never be forgotten,  
Never from our memory fade.

So long as we have eyes to see,  
We'll remember her as she is,  
Loving hearts will always long,  
Around the grave where she was laid.
